#### **QUOTES FROM RECENT PARTICIPANTS:**

"I have worked in creating Rites of Passage programs for teenagers for over 15 years. The Path of Love was a profound experience for me and was a turning point in my life. The support provided and integrity of the facilitators was outstanding. It is a genuine Rite of Passage for adults looking for their true purpose in life. I believe that if every single person did the Path of Love the world would be a better place by far."

**Dr Arne Rubinstein MBBS, FRACGP**

"The Path of Love? Scary, thrilling, profoundly moving, heart-warming and joyous in equal measure – an emotional roller-coaster ride like no other. To come face to face with one's own personal pain, regrets, fears and doubts – and those of others – and then to see all those difficult emotions transmuted into unbridled joy! The Path of Love took me down a royal road, right into the very core of my being. And it did so with the help of some truly remarkable people, angels and shepherds all of them. The Path of Love is an elixir for peace – at an individual and communal level. And to think I almost didn't go!"

**David Leser** Award-winning journalist

"I love the Path of Love process! It has helped me in so many ways through life, none the least, opening my voice and giving it new breath and new depth. And for me that's

always a proof of inner expansion. It is the perfect process for anyone wanting to give themselves a spiritual 'spring clean'."

**Deva Premal** *MitenDevaPremal.com*

"It was the best experience in my whole life. I can't believe that something like Path of Love exists. It's an existence actually. It makes you exist too. I loved every moment of it! And I also can't believe I didn't get bored even one minute, because I'm a person like that. I mean I was! Thank you."

**Zynet** Television Producer (Istanbul 2009)

"This Process has really been a breakthrough in my life. I am just eager to live the rest of my life in its light without being one bit sorry for what I missed before, as I see my past leading me to this experience and through it to many more beautiful ones in the future." **Metin Kap** (Istanbul Sept 09)
